ORDERING WEBSITE COMING SOON!

Harris Mustang Supply (est. 1978) is one of the oldest Mustang parts distributors in the Southeast. Our business hours are 8:30 am until 5:00 pm Monday through Friday. Prompt and friendly service is always available from our knowledgeable personnel.

At Harris Mustang Supply, we carry parts for the 64 ½ through 73 Mustang, as well as late models. We are able to provide you with the parts that are available to restore or repair your classic automobile to showroom condition. Let our knowledgeable staff assist you with your order. All orders are processed promptly and most are shipped the same day. We ship via USPS, UPS, FedEx and Truck Freight.

We are constantly updating our inventory and adding new parts. Prices are subject to change without notice. It is impossible to list all items that we can get so please call and ask for any items you may not find in our catalog. Thank you for your support. We truly appreciate your business.

GENERAL INFORMATION

ORDERING INFORMATION:

Our operating hours are Monday through Friday, 8:30 am to 5:00 pm EST. Closed Saturday and Sunday. Orders can be placed by calling 704-598-1412, faxed to 980-890-9511 or emailed to office@harrismustang.com. Please be sure to include your name and contact person's daytime phone number in case we need to contact you with questions regarding your order, (PO#, shipping info, price changes, etc.). We accept Visa, MasterCard and Discover credit cards. All payments must be made in US funds.

RETURN POLICY:

To return an unopened, undamaged item, please contact us by calling 704-598-1412 or email us at office@harrismustang.com. All returns must be made within six months after the order's invoice date. All returns require a copy of the original invoice and explanation for the return. Products and packaging must be returned in new, resaleable condition. Items need to be overboxed (original box or packaging is inside another box). Some products can't be returned, please see the list below. We reserve the right to refuse any items returned without prior authorization. Once we receive your package, you will be issued a refund to the original method of payment. Return shipping cost is at the expense of the customer unless other arrangements have been made. Do not return any parts COD, they will not be accepted. A \$5 re-boxing fee will be deducted from your refund if repackaging of the item is required. Also a 10% restocking fee will be charged on items that need to be repackaged and/or are returned without a copy of the invoice or explanation of the return. Installation costs will not be covered for any returned or defective product.

Installed or used products are not eligible for return unless found defective. Any non-defective product that has been installed will be shipped back to the customer at their expense. If any component of the returned product is missing, we reserve the right to reject the return. We reserve the right to refuse any items that have been returned under false pretense and the items will be returned to the customer at their expense. Products sent back with damaged or missing packaging will be refused. There are certain items that cannot be returned, please see non-returnable products below.

Non-returnable items: Special orders, electrical wiring (unless they are unopened, uninstalled and in original packaging), wheels that have had tires mounted on them, ignition parts, discontinued items, special order or discontinued items, painted parts, literature, and select Ford Performance parts.

If you received an item that is incorrect or defective, contact us for a replacement. Please check all merchandise for damage or defect when you receive your order, and before the item is used or installed. We will cover shipping on defective and incorrectly shipped items. Our definition of a defective part, is a part that is installed and does not work immediately upon proper installation. In this case, a replacement product will be sent to you, and a return tag will be sent for you to return the incorrect or defective product back to us. If the original item is not returned within 30 days, the customer will be responsible for the cost of the replacement item that was sent.

SHIPPING INFORMATION:

We offer UPS, US Postal Service, FedEx and motor freight (truck). You will be charged the actual cost of shipping. All non truck orders, including drop shipments, totaling less than \$50 will be charged a \$10 handling fee. All international shipments will be charged a \$6 handling fee due to the additional paperwork needed to ship the items. Any motor freight order totaling less than \$200 will have a \$15 box fee added.

DAMAGED FREIGHT POLICY:

Upon arrival, if a package is open, crushed, bent or torn, immediately check for missing and/or damaged items and report it to our office and to the carrier it was delivered by. Do not refuse a damaged package unless otherwise instructed. Do not return the damaged items to us unless otherwise instructed. Keep the damaged item(s), all packaging material and the original shipping container for 10 business days if received damaged by UPS or FedEx.

For truck orders, report damaged and/or losses directly to the carrier at the time of delivery. Make sure the driver notes the damage and/or loss on the Bill of Lading and that both you and the driver have a copy of that Bill of Lading. Do not refuse a damaged package unless otherwise instructed. Do not return the damaged items to us unless otherwise instructed. Keep the damaged item(s), all packaging material and the original shipping container for 30 business days. The above information also applies to drop ship orders. Please re-order missing or damaged items if necessary. All replacement items will be charged to you and once the damage claim is finalized, you will receive a credit or refund.

SHORTAGE POLICY:

Check the contents of your box immediately. Check the invoice for back orders and the number of boxes shipped. Check packaging material for parts that may have been wrapped up. Many times we pack items inside other items for protection. All orders are checked to insure our customers receive the items they order, however, if you discover your order is not complete, please contact us immediately. If the packaging was broken open or torn please call us so that we can file a freight claim. Contact about a missing part must be made within 15 days of the delivery date.

BACKORDERS:

If you would like, we can fax or email a back order availability list. You can then order the part(s) again if you still need them.

PAPERLESS OPTIONS:

We offer invoices, ordering and back order availability lists via email. You may sign up for any or all of these options by calling, faxing or emailing your preferences; please include your email address and customer name. Our email address is office@harrismustang.com.

DESCRIPTIONS

We offer three different types of wiring. The first is Alloy Metal products, and it is manufactured in the USA. They are known for producing the most concours correct replacement wiring with the correct plugs and wraps. This wiring does not have an abbreviation behind it. The second brand is Daniel Carpenter and will be indicated by a -I at the end of the part number. The third brand we offer is made in the United States and is a direct factory replacment wire. This wiring will be indicated by a -C at the end of the part number.
